

↑ Uno steel door | Prism 22"×64" doorglass ■ Gentek, Black 525

NEW
Prism

Stained glass — Contemporary style

Prism is characterized by three transparent segments enhanced with geometric details framed in satin glass. This doorglass seamlessly integrates into contemporary or mid-century modern architecture. Add a touch of refined sophistication to an entryway with this glass.

Prism — Stained glass — Contemporary style

Materials and composition

Triple glazed Insulated unit assembled with two aluminum spacers and stained glass in between. Glazing with energy-efficient glass (low emissivity) and argon gas. This composition reduces heat transfer and improves energy efficiency.

Pairing

Looks great when paired with satin finish or clear glass sidelites and transoms.

Custom doorglass

This model is available in custom sizes, adapted to your specific needs. Change the coming color to patina (black), flat patina, zinc (silver), or brass (gold color). Change one or more textured glass panes to the texture of your choice.

ENERGY STAR®

This doorglass can be part of an ENERGY STAR-approved entry door system, depending on the options selected. Check with your retailer to see if your selection of Novatech products (door, window frame and doorglass) is ENERGY STAR certified.

Warranty

10-year limited warranty
